

2015 Oly Tegner Award

Mail-in Nomination Form

To nominate a George Pepperdine College (GPC) alumnus for the Oly Tegner Award, please print this document and complete all of the sections below in full by hand.

You should show in your write-up that the nominee is a GPC (AKA "Pepperdine College") alumnus who has excelled in each of the following categories in their life:

- Service to Pepperdine
- Service to their communities
- Service to their profession

In each of the sections below, please include several, specific examples of how your nominee excels in the above criteria. The more examples you include, the more our selection team will have to consider when comparing your nomination to others.

IMPORTANT: PLEASE do not notify the nominee that you are nominating them! This award is meant to be a surprise, and only one recipient will be chosen among the many who are nominated. If you must gather information from the nominee to help you write the nomination, please do not unveil the purpose of your questioning. It is much better if you can gather your examples from sources other than the nominee.

If you have any questions, please contact the GPC Alumni Relations office at (310) 506-6582 or matt.ebeling@pepperdine.edu. Thank you for helping us recognize outstanding GPC Waves!
