## SEAVER Summarium

Compiled with the latest news, deadlines, and events, the Summarium seeks to act as a resource to our community as we enter a new week.

### Save the Date: Fall All Seaver Meeting

Join us on **Wednesday, October 30**, for the college's Fall All Seaver Meeting in Elkins Auditorium with a focus on student success. Breakfast will begin at 8 AM in front of Elkins.

Dean Feltner will share information on graduation and retention rates for Seaver students. Both presentations will offer the community greater insight into the health, well-being, and academic performance—all critical components of student success—of Seaver College students. Time for questions and discussion will follow each presentation.

### Sabbatical Lunch Series

The next sabbatical lunch is this Wednesday, October 23 at 11:50 AM. Kelle Marshall will present "'No French at Home!': Canadian Immersion Students' Investment in French," and Brian Newman will present "Intellectual Humility in Politics."
