### President's Faculty Reception

[Add Event](#)

All faculty are invited to join President Gash in the Kresge Reading Room in Payson Library from 3:30 PM to 4:30 PM for a time of fellowship. Light refreshments will be served.

### Sabbatical Lunch Series

Join us on September 18 to hear Bert Ballard and Garrett Pendergraft share their research they completed while on sabbaticals in the previous year. Their presentations will mark the first of a five part series continuing through December. The series is a perfect way for faculty to not only hear of engaging research happening in our community, but also to learn important information about sabbatical leaves. Each lunch session will begin in TAC 1 from 11:50 AM to 1 PM. [Learn more and RSVP ►](#)

### New Navigate Features

The Academic Plan section of the Navigate desktop platform is now available. With this feature, faculty and students can build four year plans. Faculty training sessions for the new feature will be held on September 19 and September 20 from 11:30 AM to 1 PM.

Please [RSVP](#) for sessions in advance.

Students are also able to make appointments with faculty and advisors through Navigate. To streamline that process, don't forget to [sync your calendar](#).

### The Center for Teaching Excellence Presents Voice Training with Hollace Starr

As an experienced actor and vocal coach,

Hollace Starr, assistant professor of Theatre at Seaver College, will share tips with faculty so they may better use and care for their voices in the classroom. The CTE invites all faculty to participate in Starr's workshop on October 1 or 2.

RSVP

### Visit the Faculty Dining Room

Don't forget to visit the recently refreshed faculty dining room. Buffet meals are available from 11 AM to 2 PM Tuesdays and Thursdays for an affordable \$4.25. Eating in the FDR is a great opportunity to deepen friendships with colleagues!

### Research News

If you are interested in seeing the vibrant research that has been published this year, visit [Research News](#). The archive is regularly updated with the latest developments when news breaks of a new publication. Learn more about [Research at Pepperdine](#).

### Waves Weekend

October 11 through October 13, faculty are invited to celebrate with our community in the Waves Weekend festivities. Faculty registration fees will be covered by the Seaver Dean's Office. [See the weekend's schedule and register to attend.](#)
