SEAVER COLLEGE

SEAVER Summarium

Compiled with the latest news, deadlines, and events, the Summarium seeks to act as a resource to our community as we enter a new week.

Listening to Black Voices

These few resources, far from exhaustive, are meant to assist non-Black community members as they listen to Black students and colleagues and incorporate antiracist pedagogies into the classroom.

Pepperdine Libraries Compiles Antiracism Book List

In an effort to facilitate learning about the issues of racial inequality, racial justice, and antiracism, Pepperdine librarians compiled a digital book display of more than 50 titles. The range of titles include *NY Times* bestsellers *Me and White Supremacy* by Layla F. Saad, *The New Jim Crow* by Michelle Alexander, *The Color of Law* by Richard Rothstein, and much more. Each ebook is available to current students, faculty, and staff. [Explore the titles](#) today.

Payton Silket on Embracing Reconciliation

In his 2020 TEDxPepperdineUniversity talk, “Embracing Reconciliation: How Hugs Can Heal Our World,” Payton Silket ('20) facilitates a conversation on civil rights, racial reconciliation, and restorative justice. Hugs, he shares, teach us about the process, risk, and reward of reconciliation. Silket earned his degree in political science and sociology from Seaver College while also dedicating his time to social justice, advocacy, and criminal justice reform. [Watch his TEDx talk](#) today.

For other ways to join the efforts for racial justice, explore this [digital archive](#) of educational resources and more compiled by NYU student and coder Alexis Williams. In an effort to provide antiracist resources and amplify the voices of our Black faculty, students, and community members, the Summarium will continue to feature resources here. If you have resources to submit for consideration, please contact [Abigail Ramsey](#).

Keeping the Community Connected

Rapid Onboarding to Online Teaching Workshop

The CTE is continuing to host a mini-course to help faculty prepare to offer online or hybrid courses in the fall.

Rapid Onboarding to Online Teaching (ROOT) is a faculty development workshop that spans ten days with synchronous meetings on the first and last day and asynchronous activities in between. Along with developing skills in redesigning courses, faculty who complete the workshop will receive a \$250 stipend. New cohorts launch July 20, July 27, and August 3.
