Teaching Inclusively

These few resources, far from exhaustive, are meant to assist community members as they incorporate inclusive pedagogies into their work and classroom to continue to provide a safe learning environment.

A Night to Listen: Students and Faculty on LGBTQ+ Concerns

Join Seaver students Juan Carlos Hugues, Julia Clark, Mary Buffaloe and faculty members Chris Doran and Donna Nofziger on **October 19 at 7 PM**.

The event is meant to allow a safe environment for students to share their experiences so that faculty may be better prepared to support students in the classroom and beyond. All are welcome to join this second event in the A Night to Listen series made possible by the Black Student Association and the Seaver Faculty Senate. [Add the event to your calendar](#).
