SEAVER COLLEGE

SEAVER Summarium

Compiled with the latest news, deadlines, and events, the Summarium seeks to act as a resource to our community as we enter a new week.

Teaching Inclusively

This section provides resources for deepening empathy and inclusion in work and teaching as we strive for true community and belonging, inspired by our Christian mission.

Equal Justice Initiative Flipgrid

The Equal Justice Initiative, led by former W. David Baird Distinguished Lecturer Bryan Stevenson, partnered with Flipgrid Discovery Library to bring their resources to classrooms across the country.

The page of teaching tools spans 21 topics based off of EJI's research including *Reconstruction in America*. Through content from the reports, animated videos, and oral history, students are introduced to important vocabulary for identifying and naming injustice. [Learn more about the teaching tools.](#)

For additional resources, explore Payson Library's [digital book display](#) of more than 125 titles on racial inequality, racial justice, and inclusive pedagogy. The Summarium will continue to feature resources on diversity and inclusion in higher education here. If you have resources to submit for consideration, please contact [Abigail Ramsey](#).

Keeping the Community Connected

In Case You Missed It...

Last month, associate professor of French offers her perspective on the Seaver Blog with "The Other Side of the Screen: Teaching During a Pandemic."

As professors and students navigate the challenges associated with distanced learning, Marshall shares how she keeps students engaged, how she keeps her lessons creative, and how she hopes to support students struggling with distance learning.
