Search for Classes

1. To search for classes, begin by selecting the term (ex. Spring 2011). Once you select the term, make sure “Search for Classes” is selected and then click **GO**.

2. After clicking **GO**, a menu titled “Class Search Criteria” will appear. This menu will allow you to search for courses in three different ways.
Search for a Specific Course

If you know the specific course for which you are searching, WaveNet will allow you to find the different sections of that course.

1. To search for a specific course, begin by selecting the course subject. For example, if you are searching for REL 101, you would select “SEAVR - Religion” on the Course Subject drop-down menu.
2. In the Course Number box type “101”.
3. Make sure that your Course Career is set to “Undergraduate.”
4. Click Search.
5. All open sections of REL 101 offered in the Spring 2011 term should now appear.
6. To find detailed information about a specific class (e.g. pre-requisites, class fees, class notes, etc...), click on the link as outlined below.
Search for a Course within a Subject

Sometimes you may want to search for all of the courses within a specific subject. For example, a Political Science major might want to know which upper division Political Science courses are available. To choose a course within a specific subject field, follow the directions as outlined below.

1. To begin, pull up the “Class Search Criteria” menu.

2. On the **Course Subject** drop-down menu select “SEAVER-Political Science”
3. Leave the **Course Number** box empty.
4. Select “Undergraduate” from the **Course Career** drop-down menu.
5. Click **Search**.
6. All Political Science courses offered within the chosen term should now appear.
7. To find detailed information for a specific class (e.g. pre-requisites, class fees, class notes, etc...), click on the link as outlined below.
Search for All Classes

There may be times when you will want to search for all of the courses offered at Seaver College during a specific term. To do so, please follow the subsequent steps.

1. Pull up the “Class Search Criteria” menu.

2. Select “Undergraduate” from the Course Career dropdown menu.
3. Click Additional Search Criteria.
4. On the **Location** drop-down menu, select “Malibu”.
5. Press **Search**.
6. There will be a screen that says, “Your search will return over 50 classes, would you like to continue?” Click **OK**.
7. All Seaver undergraduate courses offered on the Malibu campus will appear.
