Search for a Specific Course

If you know the specific course for which you are searching, WaveNet will allow you to find the different sections of that course.

- To search for a specific course, begin by selecting the course subject. For example, if you are searching for REL 101, you would select "SEAVR - Religion" on the **Course Subject** drop-down menu.
- 2. In the Course Number box type "101".
- 3. Make sure that your Course Career is set to "Undergraduate."
- 4. Click Search.
- 5. All open sections of REL 101 offered in the Spring 2011 term should now appear.
