New Student Orientation

MISSION STATEMENT
New Student Orientation facilitates a successful college transition by introducing new students and families to Pepperdine’s engaging campus community, academic environment, Christian mission, and support resources in a welcoming atmosphere conducive to building new relationships.

LEARNING OUTCOMES
A student who participates in New Student Orientation should be able to:
1. Cultivate a sense of community
2. Make informed decisions about academic choices
3. Locate and utilize campus services and resources
4. Discover opportunities available outside the classroom
5. Understand the nature and importance of Pepperdine’s Christian faith and heritage
6. Develop a growing love and pride for Pepperdine
7. Feel reassured about the decision to attend Pepperdine for his or her college education

AS A CHRISTIAN UNIVERSITY, PEPPERDINE AFFIRMS:
That God is
That God is revealed uniquely in Christ
That the educational process may not, with impunity, be divorced from the divine process
That the student, as a person of infinite dignity, is the heart of the educational enterprise
That the quality of student life is a valid concern of the University
That truth, having nothing to fear from investigation, should be pursued relentlessly in every discipline
That spiritual commitment, tolerating no excuse for mediocrity, demands the highest standards of academic excellence
That freedom, whether spiritual, intellectual, or economic, is indivisible
That knowledge calls, ultimately, for a life of service.
WELCOME

I am pleased that you have chosen Pepperdine University for your graduate studies. My sincere hope is that you find Pepperdine to be a place of intellectual, spiritual, and personal growth, both inside and outside of the classroom. The University community welcomes you to our campus and looks forward to the contributions you will make to the Pepperdine community. I am hopeful that the information included in this booklet is helpful as you transition to Pepperdine.

As a component of your transition to Pepperdine, it is important that you begin to use your Pepperdine e-mail account. The Pepperdine e-mail account services as the primary and official communication medium between you and the University. As you are responsible for information sent to your Pepperdine e-mail account, I encourage you to start using this account immediately.

I look forward to seeing you on campus this upcoming semester.

Sincerely,

MONDAY, AUGUST 31

Classes Begin!
When They Say... What Do They Mean?

**AC:** Appleby Center is a building where many classes are held, near the Weisman Museum of Art. This building has two floors. When you are on the second floor, you are in Appleby Center (AC). When you go to the downstairs floor of this building, you will be in Rockwell Academic Center (RAC), which can also be accessed between Elkins and Keck Science Center.

**BPC:** Black Family Plaza Classrooms, named after Joyce and Stanley Black, is the building which is adjacent to Elkins Auditorium. It is home to many academic classes. You can also find the Campus Ministry office located here.

**Brock House:** This is where the president of Pepperdine University and his family live. The house is on the top of the hill where you can see the big American flag. Our University president is Andrew Benton and his wife’s name is Debby.

**CAC:** Cultural Arts Center, the classroom building between the Weisman Museum and Smothers Theatre. It is also the building you can walk through to get to main campus from Dorm Road (aka “Lower Residence Road”).

**The Caf:** The short name for the Waves Cafe, located on the bottom level of the Tyler Campus Center (TCC) and serving great food every day. There are a lot of other great food options such as: La Brea Bakery, Jamba Juice, and Nature’s Edge.

**CCB:** Center for Communication and Business, which can be found at the top of the hill above the HAWC and Upper Residence Road. It includes classrooms and offices and offers food services for Pepperdine’s two largest majors, Communication and Business. You can walk up Seaver Drive toward the School of Law, take the stairs by Towers and Peppers Hall, or use the Waves Shuttle that stops right outside the front doors of the building.

**Convo:** The Convocation Series consists of a variety of chapel programs each dedicated to strengthening faith, character, and Christian living. These range from chapel to one-on-one spiritual mentoring, small groups and more. Through these programs, you will have an opportunity to engage different perspectives on personal and contemporary issues, as well as learn more about how to make a difference in the world.

**Elkins Auditorium:** Elkins will be the home of most of your larger lecture classes. It is also a popular place to watch movies hosted by the Student Programming Board. It is located in the heart of Mullin Town Square adjacent to Joslyn Plaza.

**Fireside Room:** Multipurpose room located in the corner of the cafeteria by La Brea Bakery.

**Firestone Fieldhouse:** The place where some of the Waves compete and where Wednesday morning Chapel is held. The weight room is located downstairs.

**HAC:** Huntsinger Academic Complex includes Payson Library and the Pendleton Learning Center.

**The HAWC:** Opened in 1995, this building was named after Dr. Howard A. White, the fifth president of Pepperdine, hence the initials HAWC (C is for Center). It is a popular student hangout, open 24 hours during the regular school year for you to play pool, buy food, or watch TV. This building houses Student Activities, Campus Recreation, and Intercultural Affairs. Also, the “HAWC stairs” (the set of stairs just outside the HAWC that go up to Seaver Drive) are a convenient location to meet friends when you live in the halls closer to main campus.

**KSC:** The Keck Science Center is the building that is an annex to the RAC and AC and includes classrooms, conference rooms, and laboratory teaching areas.
MB: Music Building, which is located next to Smother’s Theatre, is home to our music department. You can be sure to find students singing or playing instruments whether that be in the hallways or the many practice rooms.

OneStop: OneStop is an office dedicated to serving you and any needs you may have. You can get information about your financial aid, registration, student account, etc., as well as purchase discounted movie and amusement park tickets. OneStop is located on the 2nd floor of the TAC (the floor on ground level).

PLC: You’ll probably have classes in the Pendleton Learning Center. To find it: there is a door just to the left of the library entrance that will take you there. Another entrance is by the amphitheatre next to the Christopher Columbus statue.

RA: Resident Advisor. Your RA is an all around “go-to person” if you ever need help with anything related to campus living. Be sure to get to know your RA and utilize him or her as an important resource.

RAC: Rockwell Academic Center is the bottom floor to Appleby Center (AC). The Natural Science Division is housed here along with classrooms and science labs.

Rho: Pronounced “row,” this is the big parking lot just past the intersection of Dorm Road and Upper Residence Road at the far end of campus. It is where you checked in for New Student Orientation and is the most common place for students to park their cars on campus.

The Rock: Student groups are welcome to paint the Rock, which is located down in Adamson Plaza just outside of the bookstore. Students paint the Rock to advertise their organization, group, or an event, or just to show Pepperdine pride.

SAC: The Seaver Academic Complex is the set of buildings just up the hill from the CCB where the International Studies and Languages Division holds its classes. There is a shuttle stop just outside the building which services both the SAC and the CCB.

Sandbar: On the top level of the Tyler Campus Center (TCC), the Sandbar houses student mailboxes, computers, and Jamba Juice.

Seaver College: This is Pepperdine’s college of letters, arts, and sciences. It is one of five colleges that make up Pepperdine University. The other colleges are: the School of Law, the Graziadio School of Business Management (GSBM), the Graduate School of Education and Psychology (GSEP), and the School of Public Policy (SPP).

SLA: Spiritual Life Advisor. Your SLA is a good spiritual resource if you ever need to just chat about life, struggles, or need someone to pray with. Conversations with the SLA are confidential.

Student Activities: This office is located in the Howard A. White Center. It is home to all student activities, events, and organizations. The advisors and the student office for Student Government, Student Clubs and Organizations, and the Student Programming Board can be found here, along with staff involved with New Student Orientation, Waves Weekend, Songfest, and Dance in Flight.

TAC: Thornton Administrative Center is the building next to the library and the first building you see when you arrive on Seaver Drive. It houses many of the administrative offices at Pepperdine (Office of the President, the Office of Admission, the Office of Financial Assistance, registrar, student accounts, etc.). Also note that “OneStop” is located on the 2nd floor.

TCC: Tyler Campus Center, the building that houses many of the offices and services you will visit the most. The TCC is home to the Waves Cafe (the “Caf”), the Sandbar, the mailroom, the Volunteer Center, the Career Center, Student Employment, Disability Services, International Programs, Dean of Students, and the Counseling Center.

Clubs and Organizations (Inter-Club Council)

Over 70 student organizations exist within the Pepperdine Inter-Club Council (ICC). These organizations represent diverse student interests and leadership opportunities in several categories including academic, cultural/ethnic, political, professional, student-led ministry, athletic, and special interest groups. Each semester ICC allocates funding to its member organizations to subsidize a portion of their financial needs in creating a diverse and lively campus atmosphere. Students are highly encouraged to start a new club if they have an interest that is not currently represented within the existing ICC student organizations.

Students can now customize and track how they get involved on campus using the Pepperdine CollegiateLink system a.k.a. The Peppervine. Create an account and search through the organizations on campus, view current campus events, and create your own club. Use your Pepperdine credentials and login at vine.pepperdine.edu.

Dance in Flight (DIF) is the resident dance company at Pepperdine, sponsored and presented by Student Activities, and graciously supported by the Center for the Arts. For over 20 years, Dance in Flight has provided a safe environment for emerging student dancers and choreographers to cultivate creativity, physical expression, and teamwork in a professional performing atmosphere. The company members come from a variety of dance backgrounds, interests, and fields of study. United by their passion for the art of movement, they are dedicated to presenting an impressive showcase of student artistry.

DIF presents a variety of dance styles including jazz, contemporary, lyrical, modern, ballet, tap, hip-hop, theatrical, ballroom, and world dance. Auditions are open to student dancers of all styles, levels, and backgrounds.

Counseling Center

SERVICES
Pepperdine's Counseling Center offers counseling free of charge to currently enrolled Pepperdine students.

Students are invited to seek support early for day-to-day concerns such as:
- Stress management
- Time management
- Relationship concerns

Additionally, the staff of licensed clinicians are prepared to address more serious mental health issues such as:
- Depression
- Anxiety
- Disordered eating
- Substance abuse

If a student’s needs are beyond the center’s offering, community referrals can be made.

Beyond counseling, the center offers a variety of other services:
- Consultation (for those concerned about a student)
- Prevention programming
- Psychiatric medications consultation (fee applies)

Campus Ministry

DRAWING STUDENTS CLOSER TO THE CROSS

Campus Ministry exists to help the students at Pepperdine “taste and see that the Lord is good” (Psalm 34:8). Our ministry is committed to being an intricate part of the spiritual awakening and revival of the next generation. We are not interested in simply believing in God, but instead are committed to radically changing our lives and the world through the love of Father, the work of Christ, and the power of the Spirit.

We welcome people from all walks of life, regardless of personal background, religious affiliation, or denominational upbringing, to come and join us as we embark on this incredible journey.

WORSHIP

- Join us every week for numerous student-led worship gatherings including The Well on Thursday nights (Amphitheater) and Sunday Night Chapel (Stauffer Chapel).
- Come and be a part of the University Church of Christ on Sunday mornings as we meet in Elkins Auditorium to worship with and strengthen the community of faith in Malibu.

COMMUNITY

- Connect on a close, personal level with other students through one of “House Groups”--small gatherings of 10-12 students that meet weekly in the home of a resident member to share a meal, their lives, and the Word.
- Join us for our annual fall and spring retreats as we spend a weekend off campus with hundreds of other students to strengthen our connection to one another and to God.
- Hang out and join us for regular events including broomball, movie nights, beach trips, BBQs, and much more.

SERVICE

- Reach out to others as we take mission trips to Mexico, meet the needs of the less fortunate in the Los Angeles area, and tangibly help those on this campus who are in need.
- Be encouraged and empowered to serve others, share your faith, organize ministry events, pray boldly for those in need, and put your faith to work.

Student Employment Office

Giving Your Future a Strong Start!

Student Employment at Pepperdine University seeks to engage students in meaningful work where they have an opportunity to develop essential employment skills. Students are encouraged to view their employment experiences from a career-development perspective as they learn more about their own skills, interests, and the world of work. In addition, students will begin building their resume, which is an invaluable component of the job-search process upon graduation.

All students enrolled in the current academic year are eligible for one or more of the following employment programs:

- Federal Work Study: On-campus and community service
- Pepperdine work program
- Departmental pay positions

To search current job availability please visit the Student Employment website.

In order to be eligible to work on campus, all students must complete the following paperwork in the Student Employment Office:

- **Federal Form I-9**
  (This requires original documents establishing your identity and eligibility to work in the U.S.)
- **IRS Form W-4**
- **University Confidentiality Agreement**

Pepperdine Volunteer Center

The Pepperdine Volunteer Center (PVC) is a place where students live out the Pepperdine affirmation statement that declares that “knowledge calls ultimately for a life of service.” This mission is realized in developing and supporting student leaders who engage their peers in meaningful service and build strong partnerships with community.

Enrich your Pepperdine experience by getting involved in service! The PVC offers weekly service opportunities to learn about social justice in the Los Angeles and Ventura Counties.

- Kick off the year in service on Step Forward Day, Saturday, September 12
- Tutor preschool children with Jumpstart
- Build with Habitat for Humanity
- Spend quality time with a senior citizen with Senior Connection
- Serve meals with the Missions on Skid Row
- Spend spring break with Project Serve
- And more...

Did you know that one of the perks of being a Pepperdine student is that you can attend world-class performances without ever having to leave campus—and that full-time Pepperdine students get into most shows for just $10?

The Center for the Arts presents an exciting lineup of music, dance, and more throughout the fall and spring semesters in Smothers Theatre, Raitt Recital Hall, and Lindhurst Theatre. Some of this year’s highlights include acoustic guitarist Andy McKee on September 26, the dynamic Bollywood Masala Orchestra and Dancers of India on October 6, popular dance company MOMIX on October 20, ukulele sensation Jake Shimabukuro on October 29, country-pop icon LeAnn Rimes on December 13, the genre-hopping dance and brass band troupe Rhythmic Circus on March 6, and Japanese taiko drummers TAO on March 8. The Fine Arts Division will present its fall musical, South Pacific, in November, and you can also enjoy traditional Pepperdine favorites such as Dance in Flight and Songfest.

The Frederick R. Weisman Museum of Art, located near Smothers Theatre, is open from 11 AM to 5 PM, Tuesday through Sunday, and is always free of admission charge.

So stop by the Smothers Theatre box office, pick up a brochure, and get your tickets before they’re all gone. Take a break from studying and relax in the tranquility and visual beauty of the Weisman Museum. Friend us on Facebook and keep up with the latest at: arts.pepperdine.edu.

We hope to see you soon!

The mission of Seaver College and George Pepperdine College Alumni Relations is to perpetually call our current and future alumni home by encouraging lives of service, offering meaningful engagement, creating and maintaining lasting traditions, and responding wholeheartedly to their needs for support, thereby fostering pride and lifelong commitment to the Pepperdine family.

We look forward to getting to know you!

**STUDENT ALUMNI ORGANIZATION**
The Student Alumni Organization (SAO) is a student-led organization committed to serving Seaver College and creating connections between students and alumni. Members of SAO have a unique opportunity to serve, lead, and represent Pepperdine on campus and at alumni events. Upcoming events and opportunities include:

- **Spirit Cup**—Team up with your residence hall, club, fraternity, or sorority to compete in the annual Spirit Cup competition leading up to Waves Weekend
- **Night2Network**—Connect with and learn from Pepperdine alumni who work in your field of interest
- **Hang 10 Dinners**—Attend an alumni-hosted dinner with ten fellow Pepperdine students
- **Alumni chapter events**—Represent Pepperdine and interact with alumni in Los Angeles and Ventura County
- **Leadership opportunities**—Gain valuable leadership experience and apply to be on a SAO committee

Learn more at saowaves.com!

**WAVES WEEKEND**
October 16–18, 2015
Celebrate Pepperdine with friends, family, and alumni during Pepperdine's Waves Weekend! Volunteer with SAO and help transform the Malibu campus for one of Pepperdine's most memorable events, including a Friday night carnival and Saturday concert. We can't wait for you to participate and share Pepperdine memories of your own.

“FREELY YE RECEIVED, FREELY GIVE.”
As Pepperdine students, we hope you will learn the value of contributing to this special place that we have chosen to make our home and new family. The guidance and experience that alumni have to offer you as mentors and supporters is a perpetual gift. In the spirit of Pepperdine’s motto, alumni around the globe stand poised to serve you as their way of giving back to alma mater. We encourage you to contact us to accept this support as you seek your calling in the world, and we know you will one day serve the students who follow in your footsteps.

2015–2016 PARKING INFORMATION

We are fortunate to have sufficient parking throughout the Malibu campus; however, the key to successful parking is allocating adequate time to locate available parking and arrive at your destination. To assist you, the campus shuttle services begin at 7:40 AM each weekday with over 20 stops throughout campus running approximately every 10 minutes. There are also hourly runs to Malibu, Monday through Saturday each week.

Students are responsible for knowing all the traffic and parking regulations available on the Public Safety website, highlights include:

- The California Vehicle Code is enforced on campus.
- Access along John Tyler Drive is restricted each night from 10:30 PM–6:30 AM.
- Vehicles must display a valid parking permit for the current academic year to park on campus. Permits must be renewed annually at pepperdine.thepermitstore.com.
- Most new students are assigned the “Resident” or “R” permit and may park anywhere during the hours of 7AM–5PM except: any gated lot, Seaver Drive, Banowsky Boulevard, and Presidents Drive because these areas are reserved for employees and/or commuter students. Only students displaying a Towers or Page permit may park in that residence hall’s designated lot.
- Parking citations must be paid or will be forwarded to the student’s account.
- Multiple violations may result in disciplinary action that may include on-campus parking or driving restrictions.

MALIBU CAMPUS LOST AND FOUND PROCEDURES

- Found items of high value or containing information risking the owner of identity theft (e.g., driver’s license, checkbook, laptop, PDAs, backpacks, iPads), should be turned into Public Safety, documented, and will be held for 30 days.
- The following items will not typically be kept at Public Safety for any length of time: dishes, food, loose papers, books, notebooks, and loose clothing items.
- Any other found item should be turned into an employee representative near the location where the item was found (e.g., libraries, pool, dining hall).
Emergency Notification and Emergency Preparedness Information

The University's emergency communication plan uses the Everbridge Mass Notification System to deliver emergency notifications to your e-mail, your cell phone via voice message and text message, and to your designated emergency contact. The University only uses this notification system in emergency situations or for periodic testing.

The success and effectiveness of this communication system is dependent upon up-to-date contact information you provide in WaveNet. Please log in to WaveNet through https://wavenet.pepperdine.edu to update your contact information by August 31.

For more information on the Everbridge system, please visit the Office of Insurance and Risk's information booth during New Student Orientation or visit emergency.pepperdine.edu/emergency-communication.

Additional emergency preparedness information is available online at the University's Emergency Information page, emergency.pepperdine.edu, including a link to the University's Emergency Preparedness Guide. The Guide is designed to assist you in responding to emergencies that may impact you while living and attending classes in Southern California. We encourage you to read the document and refer to it as needed.

Thank you in advance for you cooperation and participation in this important step toward emergency preparedness.

Disability Services Office

The Disability Services Office (DSO) seeks to accommodate students with documented disabilities to allow them equal standing in educational endeavors. Accommodations are designed to level the playing field for students with disabilities, while maintaining the integrity and standards of our academic programs. All services through the DSO are kept strictly confidential.

When emergencies occur, don’t be the last to know.

Update your emergency contact information on WaveNet today!

2. In the middle of the page, there is a section labeled “Student Information.” Under this heading, click on “Preferred Phone.”
3. Verify and/or update your home and cell phone numbers, and click on the green “Save” box at the lower left of the page.
4. Click on “Emergency Contacts” at the top right of the page.
5. Verify and/or update your emergency contacts as necessary.
6. Click on the green “Save” box.

Everbridge is Pepperdine’s mass-notification system, used only during emergencies and for testing purposes. The system is dependent on the personal contact information provided by each individual in the WaveNet portal. Please ensure that your contact information is up-to-date by following the instructions listed above (also found at emergency.pepperdine.edu/emergency-communication).
In addition to the frequent on-campus & Malibu Shopping shuttles six days each week, Pepperdine offers a car sharing program to members of its community with ZipCar. Car sharing allows members, at least 18 years old, an environmentally-friendly, economical alternative to bringing a car to campus.

Car sharing will give members of the Pepperdine community the opportunity to gain the benefits of private cars without the costs and responsibilities of ownership.

FIGHT SONG

We’re gonna fight! Fight! Fight!

For Pepperdine

We’re gonna win for the

Orange and the Blue

The mountains and the sea

inspire victory

In the waves of Malibu!

We’re gonna fight! Fight! Fight!

For Pepperdine

And show our pride now

for everyone to see

Come on and raise your voice

to show the world your choice

And cheer our team to victory—

VICTORY!
