Appeal Awarding Policy

All students requesting appeal funds must have an official 2020-2021 FAFSA on file at Pepperdine at the time they submit their appeal. **An Appeal submitted with insufficient documentation or not following appeal policies will be canceled after two weeks. All items listed on page one (under REQUIRED) must be submitted along with applicable documents in order for the appeal to be reviewed. Students requesting appeal funds are required to accept and borrow the student loans offered on their financial assistance award when available.** Approved appeals funds will be revoked if you do not accept and borrow the student loans offered, adhere to the appeal awarding policies or cancel your student loans later in the school year.

Please do not make any changes after you have submitted the appeal unless additional documentation is requested. Appeals are approved on an annual basis. If you need to make changes, contact our office for authorization and instructions on how to proceed.

We request that every parent complete the Federal Direct Parent PLUS Loan online credit check at www.studentloans.gov, which takes approximately 15 minutes. If approved, you are not required to accept the loan, but please provide an explanation in your appeal statement explaining why the Federal Direct PLUS Loan will not be processed. If denied, the student may be eligible to receive up to a \$4,000 additional Federal Direct Unsubsidized Stafford Loan as a Freshman/Sophomore or \$5,000 as a Junior/Senior.

Information

To qualify for most financial assistance programs, a family must demonstrate "financial need." Financial need is the difference between the cost of education at Pepperdine University, Seaver College and the amount you and your family are expected to contribute to your education, as determined by the FAFSA.

Due to the limited availability of university financial assistance funds, approved appeals may be funded with additional student and/or parent loans. Appeals are approved on an annual basis and approved funds will carry forward to future years unless you are no longer eligible.

When reviewing appeals and the financial assistance budget, we have already considered and accounted for students that were offered scholarships/grants, but will choose not to attend Pepperdine University. *We do not match or consider scholarship/grant offers from other schools.*

Academic scholarships are offered to newly admitted students who qualify; there is not a separate application. Students that met the academic scholarship criteria were notified. There is no appeal process for academic scholarships. If you have any questions, please contact the Academic Scholarship Committee at admission-seaver2@pepperdine.edu.

Acknowledgement

I authorize the Office of Financial Assistance to reduce, cancel, and/or re-assign my loans including the Federal Direct PLUS loan if grant/scholarship funds are approved. Furthermore, if loans are re-assigned, I understand that I am required to "accept" all loan adjustments in order for my aid to process and remain at the same level before the adjustment. Unaccepted loans may create outstanding charges along with finance charges on my student account. I understand that missing, incomplete, or insufficient documentation may cause my appeal to be delayed and/or canceled. I agree to not make any changes to the appeal after it has been submitted without authorization from the office. I acknowledge this will be my appeal decision for the academic year.

I/we certify by signing this form that I/we have read all the above, reviewed all links, and affirm that all information provided via this form and online is true, complete, and accurate to the best of my/our knowledge. I/we accept, agree, and will adhere to all of the above policies and the [Financial Assistance Terms and Conditions](#). I/we understand that any appeal misrepresentations will be cause for reduction, denial, and/or repayment of financial assistance. I/we also certify that if our family circumstances change after an exception has been granted, we will immediately notify the Office of Financial Assistance. Pepperdine reserves the right to report all suspected and confirmed fraud cases to the Federal Processing Center for legal prosecution.
