

PEPPERDINE UNIVERSITY
PAUL AND MARIE REIM ENDOWED SCHOLARSHIP

Established 2005

Paul and Marie Reim didn't meet at Pepperdine, but Pepperdine brought them together. A 1983 graduate of Seaver College's Business Administration Division with a bachelor of science in finance, Paul met Marie Eller ('81) at a Pepperdine alumni function in 1985. During the evening, they discovered they had many friends in common and had both studied in Pepperdine's Heidelberg international program. Soon they began dating, and in September 1987 they were married in the Stauffer Chapel on the Malibu campus.

The Reims settled in north Orange County and now reside in Yorba Linda. Paul enjoyed a career in investment real estate. Marie is a homemaker, volunteers with the National Charity League, and enjoys tennis. Paul serves on the Seaver Board of Visitors and the board of directors of the Mount Herman Christian Conference Center. They have three children: Nathan ('12), Elizabeth ('14), and Peter. Both Paul and Marie are active in the Yorba Linda Friends Church.

The Reims are strong supporters of Pepperdine University and Christian education. The Paul and Marie Reim Endowed Scholarship is only one way that the Reims have expressed their Christian commitment and translated success into significance in their lives through giving back to society in meaningful ways.

Trust in the Lord with all your heart and lean not on your own understanding; In all your ways acknowledge Him, and He will make your paths straight.

~ Proverbs 3:5-6

SCHOLARSHIP QUALIFICATIONS

The Paul and Marie Reim Endowed Scholarship is given annually to a student in the Business Administration Division of Seaver College who demonstrates financial need.
