

Requirements for Admission to the Business Administration Division as a Contract Finance Major

A student will be considered for admission to the Business Administration Division after completion of 48 units of work with no grade below a C- in any of the required courses below and an overall grade point average of 2.5 in all classes taken.

The following courses must be part of the 48 units needed for admission to the program, and a grade of a C- or better is required in each course: (**NOTE: a grade of a B or better is required in BA 321)

MATH	140	Calculus for Business and Economics
MATH	141	Probability, Linear Systems and Multivariable Optimization
ECON	211	Introduction to Macroeconomics
BA	210	Introduction to Microeconomics
AC	224	Financial Accounting
BA	216	Statistical Analysis for Business Decisions
BA	212	Business Computing Applications
BA	321	Financial Management**

Requests for admission will normally occur during the fifth semester and can be made during the semester in which students are completing their required courses. Final decisions will be made only after grades are received. Only students accepted into the division will be permitted to enroll in BA 442, 447, 452, 497 and 598. **Students must complete at least 45 units at Seaver College following the signing of the contract.**
