Faculty Ushers

BENNETT E. POSTLETHWAITE

Associate Professor of Organizational Behavior and Management Class of 1996

FELICITY A. VABULAS

Associate Professor of International Studies

SYLVIA R. FRANSON

Sylvia R. Franson is the vice president of advertising sales and partnerships at news and entertainment media organization NBCUniversal. The corporation has created decades of content for television and film and reaches a global audience through its many original and acquired platforms, including DreamWorks Animation and the SyFy, Bravo, and E! networks.

Before taking on her current role, Ms. Franson began building her resume in 1987 as an account executive for Univision's affiliate station in Fresno, California, KFTV Channel 21. She quickly proved her talent, earning her a promotion to national sales manager for the station. Upon returning to Southern California to work as a senior account executive with Univision's team at flagship station KMEX in Los Angeles, Ms. Franson provided several more years of professional stewardship before moving on in 1993 to Telemundo, another leader in Spanish language television.

Ms. Franson mentors emerging leaders in connection with the NBCU One Future Mentorship Program and the T. Howard Foundation, which cultivates diversity in media. In 2019 she was recognized as a Pepperdine Outstanding Alumni | Women in Leadership honoree, and in 2013 Ms. Franson was named a Women in Business nominee by the *Orange County Business Journal*. She is also a cofounder and owner of Rancho Capistrano Winery, the largest winery in Orange County.

Ms. Franson has maintained a close relationship with Pepperdine since her time as a student, operating in many valuable capacities in addition to her current service on the Seaver College Board of Visitors. Thanks to the humble and generous offerings of her time to such events and programs as Alumni Career Speaking Services and the Career Coaching Program, as well as serving as a career panel moderator and advertising pitches judge, countless Pepperdine students have benefited from her industry expertise and knowledge as they plan their own postgraduate careers.

Sylvia Franson received her bachelor's degree in broadcasting from Seaver College in 1987.

SAM SCHMIDT

Sam Schmidt is chairman of the board for Conquer Paralysis Now (CPN), a Las Vegas-based nonprofit that funds research and treatment efforts to find a cure for paralysis. In 2018 CPN opened DRIVEN NeuroRecovery Center, a resource for those with neurological disorders to receive therapy and use inclusively designed fitness equipment. Mr. Schmidt also serves on the board of directors for BraunAbility, which creates wheelchair-accessible vehicles adapted for more widespread mobility that are used in more than 70 nations.

After beginning his professional career as a hospital administrator and purchasing his father's auto parts company in 1989, Mr. Schmidt went on to work with such entrepreneurial brands as Arnette Sunglasses and Copart, a car auction service. Alongside his business roles, he turned a lifelong interest in car racing into an active pursuit, beginning to drive at the amateur level and moving up to professional competition, driving his first race in the Indianapolis 500 by 1997.

Mr. Schmidt endured a life-altering crash in 2000, rendering him a person with quadriplegia. With great fortitude, he chose not to view the accident as something that would shift the world into park, but instead kept his drive aimed forward and used his caring energy to advocate for members of the disability community. His compassionate and giving spirit was evident during Mr. Schmidt's time at Pepperdine, where he was a member of the inaugural class of the service-oriented fraternity Psi Upsilon.

Mr. Schmidt has received, among others, the Gateway to a Cure Award, the Humanitarian Award from the Las Vegas Walk of Stars Foundation, and the Christopher and Dana Reeve Foundation's Visionary Leadership Award. In 2009 Mr. Schmidt was honored with the Distinguished Alumnus Award from Pepperdine and was inducted into the Nevada Sports Hall of Fame in 2017. Thanks to modern technology, Mr. Schmidt has been able to race vehicles operated by breath and head movements at speeds upward of 200 miles per hour. As founder of Schmidt Peterson Motorsports, he hopes to one day lead his team to win an Indy 500 race, not as a driver but as an owner.

Sam Schmidt earned a bachelor's degree in business administration from Seaver College in 1986. In 1987 he received an MBA in international finance from the Graziadio Business School.

^{*}Upon completion of summer session

HONORING OUR PEPPERDINE DONORS Class of 2022

Pepperdine University would like to congratulate the members of the Class of 2022 on your milestone achievement! We are proud of all you've accomplished during your time at Seaver—and all you will accomplish as you carry your newfound knowledge, insight, and inspiration out into the world.

We want to offer special thanks to the 2022 graduates who, long before they became Pepperdine graduates, gave of their own resources to support their alma mater and what we all are doing together to change the world. When George Pepperdine founded this University 85 years ago, he gave it the motto "Freely ye received, freely give" as a sign of the culture of giving he wanted it to embody—giving as individuals, as small groups, and as an institution. Your giving spirit has helped us not only maintain that culture, but transform it and more fully establish it as integral to the life of our University.

We are honored to recognize the following students not just for giving to Pepperdine, but for giving through Pepperdine to continue the amazing positive impact that we, together, can make on the world with purpose-driven servant leadership. All that Pepperdine gives to the world, caring people like you have made possible with your faith and support. We thank you for belonging to this community—one where you will always find a place of belonging as alumni, no matter where your lives and careers take you.

Welcome to the alumni donor family!

SERVICES

Accessible Seating Blue chairs indicate the area for accessible

seating plus one accompanying guest. Please find posted signs or ask an usher for assistance.

Drinking Water Available in dispensers in various locations on

Alumni Park.

First Aid Available at the first aid/information tent near

the entrance of Alumni Park. If an emergency occurs, please ask the nearest usher for

assistance.

Lost and Found Please visit the information tent regarding any

lost or found items.

Restrooms Located to the north of the graduation

ceremony area.

Sun-Sensitive Seating A small area of shaded seating is located to the

left of guest seating.
