ALAN BEARD

Alan Beard is cofounder and chief executive officer of Synonymous, a marketing strategy and creative agency that helps the world's best brands understand the complex human narratives that drive customer decision-making.

Mr. Beard was previously the founder and CEO of McBeard, a pioneering social media advertising agency that hired more than 60 Seaver alumni and quickly gained stature through its work with such multinational corporations as the Walt Disney Company, Coca-Cola, and AT&T. When McBeard was acquired by Fullscreen in 2015, Mr. Beard took on the role of Fullscreen's chief marketing officer; the following year the company was honored as one of *Ad Age* magazine's "Best Places to Work." The company is now part of AT&T/WarnerMedia.

From 2002 to 2011 Mr. Beard served Seaver College as an adjunct professor of marketing strategy, also teaching courses at the Graziadio Business School and the School of Public Policy, where he was a member of the inaugural graduating class. He was honored with the School of Public Policy's Distinguished Alumnus Award in 2009 and in 2017 was recognized as one of Pepperdine's "40 over 40" alumni. He was appointed to the Pepperdine University Board of Regents in 2019.

Alan Beard earned a bachelor's degree in music from Seaver College in 1994 and a master of public policy from the Pepperdine School of Public Policy in 1999.

HONORING OUR PEPPERDINE DONORS

Class of 2020

The Pepperdine Fund congratulates the Class of 2020 on your milestone achievement! We are proud of all you've accomplished during your time at Seaver—and all you will accomplish as you carry your newfound knowledge, insight, and inspiration out into the world. Rest assured that your senior year will be one for the history books. Your fortitude will be remembered for a lifetime at Pepperdine.

Unfortunately, due to the constraints of the pandemic, our traditional student philanthropy efforts were upended, impeding the opportunities seniors would normally have had to celebrate Give2Pepp and the Senior \$5 for 5 campaign. Some of your classmates were able to make their gifts and they are recognized here at commencement. Though these individual gifts may be small, they are the most meaningful gifts the University receives—they represent the future. Your combined efforts can help make even more scholarship opportunities and unique educational experiences available to future students—creating a lasting impact on the culture of giving in our Pepperdine community, while also increasing the value of your degree. Each gift is a vote of confidence in our alma mater and has a direct impact on Pepperdine's national ranking. We would like to recognize the following undergraduates for giving back to Pepperdine during the 2019–2020 academic year and for making a significant contribution in the lives of future Waves following in their footsteps. A special thanks to the members of the Student Philanthropy Council who successfully completed an unprecedented year.

Together you are providing a living, lasting example of George Pepperdine's motto: "Freely ye received, freely give."

Welcome to the alumni donor family!
