New Student Orientation

Mission Statement
New Student Orientation facilitates a successful college transition by introducing new students and families to Pepperdine’s engaging campus community, academic environment, Christian mission, and support resources in a welcoming atmosphere conducive to building new relationships.

Learning Outcomes
A student who participates in New Student Orientation should be able to:
1. Cultivate a sense of community
2. Make informed decisions about academic choices
3. Locate and utilize campus services and resources
4. Discover opportunities available outside the classroom
5. Understand the nature and importance of Pepperdine’s Christian faith and heritage
6. Develop a growing love and pride for Pepperdine
7. Feel reassured about the decision to attend Pepperdine for his or her college education

As a Christian University, Pepperdine Affirms:
That God is
That God is revealed uniquely in Christ
That the educational process may not, with impunity, be divorced from the divine process
That the student, as a person of infinite dignity, is the heart of the educational enterprise
That the quality of student life is a valid concern of the University
That truth, having nothing to fear from investigation, should be pursued relentlessly in every discipline
That spiritual commitment, tolerating no excuse for mediocrity, demands the highest standards of academic excellence
That freedom, whether spiritual, intellectual, or economic, is indivisible
That knowledge calls, ultimately, for a life of service.
Dear Pepperdine Family Member:

Welcome to the Pepperdine community! As family of a new student at Pepperdine, you are vital partners to ensure the educational success and personal growth of your student at this exciting new stage of life.

New Student Orientation (NSO) provides you with an introduction to the University’s academic requirements and expectations, community standards, campus safety, technology resources, international programs, and vital student support services and resources. Helping facilitate NSO are student leaders who have already demonstrated student success and are committed to the intellectual, spiritual, and social life of the campus.

NSO provides a wealth of information on University services and programs that will help you support your child during his or her journey at Pepperdine. We welcome your questions, comments, and concerns, so we have included contact information for the program presenters. Please call or e-mail if you have any questions.

We also would like to introduce you to the Seaver College Parents Program, which is an active group of families who participate in the orientation program, serve on advisory committees, assist with recruitment activities, and support other families. We invite you to become involved in this important group. Your participation will provide positive support to students and other families during their educational experience. Be sure to connect with members of the Parents Program during NSO to learn about the numerous opportunities available for you to play an active role in the life of the University.

Lastly, please mark October 16–18, 2015, on your calendar for our annual Waves Weekend, which promises to be a memorable weekend with your son or daughter as you take an interactive glimpse into life at Pepperdine.

Again, welcome to Pepperdine!

Mark Davis
Vice President for Student Life and Dean of Student Affairs

WHEN THEY SAY... WHAT DO THEY MEAN?

**AC:** Appleby Center is a building where many classes are held, near the Weisman Museum of Art. This building has two floors. When you are on the second floor, you are in Appleby Center (AC). When you go to the downstairs floor of this building, you will be in Rockwell Academic Center (RAC), which can also be accessed between Elkins and Keck Science Center.

**BPC:** Black Family Plaza Classrooms, named after Joyce and Stanley Black, is the building which is adjacent to Elkins Auditorium. It is home to many academic classes. You can also find the Campus Ministry office located here.

**Brock House:** This is where the president of Pepperdine University and his family live. The house is on the top of the hill where you can see the big American flag. Our University president is Andrew Benton and his wife’s name is Debby.

**CAC:** Cultural Arts Center, the classroom building between the Weisman Museum and Smothers Theatre. It is also the building you can walk through to get to main campus from Dorm Road (aka “Lower Residence Road”).

**The Caf:** The short name for the Waves Cafe, located on the bottom level of the Tyler Campus Center (TCC) and serving great food every day. There are a lot of other great food options such as: La Brea Bakery, Jamba Juice, and Nature’s Edge.

**CCB:** Center for Communication and Business, which can be found at the top of the hill above the HAWC and Upper Residence Road. It includes classrooms and offices and offers food services for Pepperdine’s two largest majors, Communication and Business. You can walk up Seaver Drive toward the School of Law, take the stairs by Towers and Peppers Hall, or use the Waves Shuttle that stops right outside the front doors of the building.

**Convo:** The Convocation Series consists of a variety of chapel programs each dedicated to strengthening faith, character, and Christian living. These range from chapel to one-on-one spiritual mentoring, small groups and more. Through these programs, you will have an opportunity to engage different perspectives on personal and contemporary issues, as well as learn more about how to make a difference in the world.

**Elkins Auditorium:** Elkins will be the home of most of your larger lecture classes. It is also a popular place to watch movies hosted by the Student Programming Board. It is located in the heart of Mullin Town Square adjacent to Joslyn Plaza.

**Fireside Room:** Multipurpose room located in the corner of the cafeteria by La Brea Bakery.

**Firestone Fieldhouse:** The place where some of the Waves compete and where Wednesday morning Chapel is held. The weight room is located downstairs.

**HAC:** Huntsinger Academic Complex includes Payson Library and the Pendleton Learning Center.

**The HAWC:** Opened in 1995, this building was named after Dr. Howard A. White, the fifth president of Pepperdine, hence the initials HAWC (C is for Center). It is a popular student hangout, open 24 hours during the regular school year for you to play pool, buy food, or watch TV. This building houses Student Activities, Campus Recreation, and Intercultural Affairs. Also, the “HAWC stairs” (the set of stairs just outside the HAWC that go up to Seaver Drive) are a convenient location to meet friends when you live in the halls closer to main campus.

**KSC:** The Keck Science Center is the building that is an annex to the RAC and AC and includes classrooms, conference rooms, and laboratory teaching areas.
Music Building, which is located next to Smother’s Theatre, is home to our music department. You can be sure to find students singing or playing instruments whether that be in the hallways or the many practice rooms.

**OneStop:** OneStop is an office dedicated to serving you and any needs you may have. You can get information about your financial aid, registration, student account, etc., as well as purchase discounted movie and amusement park tickets. OneStop is located on the 2nd floor of the TAC (the floor on ground level).

**PLC:** You’ll probably have classes in the Pendleton Learning Center. To find it: there is a door just to the left of the library entrance that will take you there. Another entrance is by the amphitheatre next to the Christopher Columbus statue.

**RA:** Resident Advisor. Your RA is an all around “go-to person” if you ever need help with anything related to campus living. Be sure to get to know your RA and utilize him or her as an important resource.

**RAC:** Rockwell Academic Center is the bottom floor to Appleby Center (AC). The Natural Science Division is housed here along with classrooms and science labs.

**Rho:** Pronounced “row,” this is the big parking lot just past the intersection of Dorm Road and Upper Residence Road at the far end of campus. It is where you checked in for New Student Orientation and is the most common place for students to park their cars on campus.

**The Rock:** Student groups are welcome to paint the Rock, which is located down in Adamson Plaza just outside of the bookstore. Students paint the Rock to advertise their organization, group, or an event, or just to show Pepperdine pride.

**SAC:** The Seaver Academic Complex is the set of buildings just up the hill from the CCB where the International Studies and Languages Division holds its classes. There is a shuttle stop just outside the building which services both the SAC and the CCB.

**Sandbar:** On the top level of the Tyler Campus Center (TCC), the Sandbar houses student mailboxes, computers, and Jamba Juice.

**Seaver College:** This is Pepperdine’s college of letters, arts, and sciences. It is one of five colleges that make up Pepperdine University. The other colleges are: the School of Law, the Graziadio School of Business Management (GSBM), the Graduate School of Education and Psychology (GSEP), and the School of Public Policy (SPP).

**SLA:** Spiritual Life Advisor. Your SLA is a good spiritual resource if you ever need to just chat about life, struggles, or need someone to pray with. Conversations with the SLA are confidential.

**Student Activities:** This office is located in the Howard A. White Center. It is home to all student activities, events, and organizations. The advisors and the student office for Student Government, Student Clubs and Organizations, and the Student Programming Board can be found here, along with staff involved with New Student Orientation, Waves Weekend, Songfest, and Dance in Flight.

**TAC:** Thornton Administrative Center is the building next to the library and the first building you see when you arrive on Seaver Drive. It houses many of the administrative offices at Pepperdine (Office of the President, the Office of Admission, the Office of Financial Assistance, registrar, student accounts, etc.). Also note that “OneStop” is located on the 2nd floor.

**TCC:** Tyler Campus Center, the building that houses many of the offices and services you will visit the most. The TCC is home to the Waves Cafe (the “Caf”), the Sandbar, the mailroom, the Volunteer Center, the Career Center, Student Employment, Disability Services, International Programs, Dean of Students, and the Counseling Center.

When you and your child chose Pepperdine, your entire family became part of our family. We consider you to be valued members of our community, joining us in our mission to prepare students for lives of purpose, service, and leadership.

Our goal is that you, your student, and your extended family (grandparents too) will take from this place experiences, memories, and lessons that will remain with you for a lifetime. The Seaver Parents Association is a resource for you, providing information and maintaining a connection to the University.

The Seaver Parents Council is an extension of the Parents Association that encourages parents and guardians to take part in the Pepperdine community wherever they live. Parent Council members play an important role as greeters and hosts at a variety of activities ranging from Pepperdine information sessions to new student send-off parties to career coaching. Not only do these activities provide countless opportunities to support the students, but they also allow you to become active members of the Pepperdine family without infringing on students' independence. We hope you will join us!

By joining a Greek organization students are exposed to a community of leaders, scholars, and the most spirited and involved individuals on campus. Greek life is a chance for students to develop lifelong bonds of friendship with the men and women around them in a safe environment where leadership and excellence are not only encouraged, but practiced and pursued. The ideals of Pepperdine and those of the Greek system go hand-in-hand in that Greeks are dedicated to developing students for lives of purpose, service, and leadership. Within this context, Pepperdine's Greek system strictly adheres to the University's non-alcohol and anti-hazing policies.
Student leaders play an integral role in creating a fun and lively campus. The Board consists of 15 students who coordinate social activities and events for all Seaver College students, as well as the entire Pepperdine community. In fact, the Board hosts FREE student-led events nearly every Friday and Saturday night, including:

- Concerts and coffeehouses
- Comedians and improv
- Tailgate parties
- Interactive art murals
- Karaoke
- L.A. Dodger & Galaxy Nights
- Monte Carlo Night
- Reelstories FilmFest
- Special movie screenings
- Student art shows
- Museum and art gallery outings
- Dances, formals, and balls
- Holiday-themed events
- Christmas tree lighting
- Blue & Orange Madness
- University-wide spirit events
- Video and gaming tournaments
- Student poetry readings and expressionism
- Oscar, Super Bowl, and March Madness parties

For a complete listing of events, just look for the student life calendar, delivered monthly to your student mailbox and the board's newsletter, sent monthly to your Pepperdine e-mail.

The Student Government Association (SGA) represents and advocates for the general student body through an elected executive board and senate. SGA’s executive branch consists of the four student body officers; president, executive vice president, vice president of administration, and vice president of finance. SGA’s legislative branch, known as the Senate, consists of four class presidents (one per class), 12 class senators (three per class), and a director for each of SGA’s standing committees.

SGA is dedicated to providing the students of Pepperdine University with quality representation through innovative advocacy programs. In cooperation with University administration, SGA allocates funds collected from the student government and activity fee to improve the student experience. SGA supports projects related to student life, leadership development, spiritual formation, cultural awareness, civic engagement, and class activities, as well as the promotion of strategic initiatives, campus unity, and communication among students, faculty, and administration. To learn more about serving in an elected or appointed position, please visit the SGA Office, located in the HAWC.

Dance in Flight (DIF) is the resident dance company at Pepperdine, sponsored and presented by Student Activities, and graciously supported by the Center for the Arts. For over 20 years, Dance in Flight has provided a safe environment for emerging student dancers and choreographers to cultivate creativity, physical expression, and teamwork in a professional performing atmosphere. The company members come from a variety of dance backgrounds, interests, and fields of study. United by their passion for the art of movement, they are dedicated to presenting an impressive showcase of student artistry.

DIF presents a variety of dance styles including jazz, contemporary, lyrical, modern, ballet, tap, hip-hop, theatrical, ballroom, and world dance. Auditions are open to student dancers of all styles, levels, and backgrounds.

Counseling Center

Services
Pepperdine’s Counseling Center offers counseling free of charge to currently enrolled Pepperdine students.

Students are invited to seek support early for day-to-day concerns such as:
▶ Stress management
▶ Time management
▶ Relationship concerns

Additionally, the staff of licensed clinicians are prepared to address more serious mental health issues such as:
▶ Depression
▶ Anxiety
▶ Disordered eating
▶ Substance abuse

If a student’s needs are beyond the center’s offering, community referrals can be made.

Beyond counseling, the center offers a variety of other services:
▶ Consultation (for those concerned about a student)
▶ Prevention programming
▶ Psychiatric medications consultation (fee applies)

The Convocation Office Welcomes You!

Convocation Series Mission
The Convocation Series is dedicated to help students build Christian faith, affirm Christian values, and address the moral and ethical dimensions of current issues. Attendance at a selection of Convocation events is an academic requirement for all Seaver college students for each semester they are enrolled as full-time students.

Description
From its beginning, Pepperdine has included a required selection of regular assemblies where students gather to worship, grow in faith, hear engaging speakers, and learn more about how they can make a difference in this world through purpose, service, and leadership. Convocation programs are the contemporary connection to this integral aspect of Pepperdine’s Christian mission. All Seaver undergraduate students are required to attend 14 events each semester (the equivalent of one program each week). Attendance at recognized Chapel/Convocation programs counts toward a grade in which students receive one half unit of academic credit each semester.

There are over 150 options each semester to fulfill the attendance requirement and there are seven different kinds of programs to choose from. The options range in size from a large assembly to one-on-one meetings to accommodate various learning styles and interests. Some of our most popular programs are:

1. Wednesday Morning Chapel—This program takes place at 10 AM in Firestone Fieldhouse with around 1,200 students in attendance. Programs feature a variety of worship and artistic expression, prayer, and either a speaker or presentation from a Christian faith perspective relevant to students’ lives.

2. Ongoing Chapels and Special Events—These medium-sized programs (150-300 students) include Celebration Chapel which features a time of student-led worship, as well as student speakers; foreign-language chapels in Spanish, French, Italian, and German; and other programs sponsored by various departments and organizations on campus.

3. Club Convo—This is a small group of students (usually 10-12) led by a faculty, staff member, or students. Groups focus on a host of topics presented from a Christian perspective that aim to deepen students’ spirituality, build their relationships with others, and develop a strong connection between their faith and current issues. Some topics from the past have been around theology, yoga, media, romantic relationships, etc.

4. Spiritual Mentoring—Students can request to be paired with a faculty or staff member to complete four sessions of mentoring to focus on values, beliefs, ethics, and other issues related to the Christian life. This personalized program allows students to explore their life with a mentor from the University who is committed to their faith and overall well-being.

Students are encouraged to plan ahead and find programs that appeal to their interests. For more information including policies, the grading scale, FAQs, and a calendar of events, visit community.pepperdine.edu/seaver/convo. Please contact the Convocation Office with any questions at convo@pepperdine.edu or by calling 310.506.4999.

Campus Ministry

DRAWING STUDENTS CLOSER TO THE CROSS

Campus Ministry exists to help the students at Pepperdine “taste and see that the Lord is good” (Psalm 34:8). Our ministry is committed to being an intricate part of the spiritual awakening and revival of the next generation. We are not interested in simply believing in God, but instead are committed to radically changing our lives and the world through the love of Father, the work of Christ, and the power of the Spirit.

We welcome people from all walks of life, regardless of personal background, religious affiliation, or denominational upbringing, to come and join us as we embark on this incredible journey.

WORSHIP

- Join us every week for numerous student-led worship gatherings including The Well on Thursday nights (Amphitheatre) and Sunday Night Chapel (Stauffer Chapel).
- Come and be a part of the University Church of Christ on Sunday mornings as we meet in Elkins Auditorium to worship with and strengthen the community of faith in Malibu.

COMMUNITY

- Connect on a close, personal level with other students through one of “House Groups”—small gatherings of 10-12 students that meet weekly in the home of a resident member to share a meal, their lives, and the Word.
- Join us for our annual fall and spring retreats as we spend a weekend off campus with hundreds of other students to strengthen our connection to one another and to God.
- Hang out and join us for regular events including broomball, movie nights, beach trips, BBQs, and much more.

SERVICE

- Reach out to others as we take mission trips to Mexico, meet the needs of the less fortunate in the Los Angeles area, and tangibly help those on this campus who are in need.
- Be encouraged and empowered to serve others, share your faith, organize ministry events, pray boldly for those in need, and put your faith to work.

Stop by the Campus Ministry office anytime to meet our campus ministers, interns, and office staff. We pray that through your involvement in Campus Ministry you will be nurtured, challenged, and transformed as you find yourself drawn closer to the cross.

TIMES TO REMEMBER

Student Employment at Pepperdine University seeks to engage students in meaningful work where they have an opportunity to develop essential employment skills. Students are encouraged to view their employment experiences from a career-development perspective as they learn more about their own skills, interests, and the world of work. In addition, students will begin building their resume, which is an invaluable component of the job-search process upon graduation.

All students enrolled in the current academic year are eligible for one or more of the following employment programs:
- Federal Work Study: On-campus and community service
- Pepperdine work program
- Departmental pay positions

To search current job availability please visit the Student Employment website.

In order to be eligible to work on campus, all students must complete the following paperwork in the Student Employment Office:

**Federal Form I-9**
(This requires original documents establishing your identity and eligibility to work in the U.S.)

**IRS Form W-4**

**University Confidentiality Agreement**

Did you know that one of the perks of being a Pepperdine student is that you can attend world-class performances without ever having to leave campus—and that full-time Pepperdine students get into most shows for just $10?

The Center for the Arts presents an exciting lineup of music, dance, and more throughout the fall and spring semesters in Smothers Theatre, Raitt Recital Hall, and Lindhurst Theatre. Some of this year’s highlights include acoustic guitarist Andy McKee on September 26, the dynamic Bollywood Masala Orchestra and Dancers of India on October 6, popular dance company MOMIX on October 20, ukulele sensation Jake Shimabukuro on October 29, country-pop icon LeAnn Rimes on December 13, the genre-hopping dance and brass band troupe Rhythmic Circus on March 6, and Japanese taiko drummers TAO on March 8. The Fine Arts Division will present its fall musical, South Pacific, in November, and you can also enjoy traditional Pepperdine favorites such as Dance in Flight and Songfest.

The Frederick R. Weisman Museum of Art, located near Smothers Theatre, is open from 11 AM to 5 PM, Tuesday through Sunday, and is always free of admission charge.

So stop by the Smothers Theatre box office, pick up a brochure, and get your tickets before they’re all gone. Take a break from studying and relax in the tranquility and visual beauty of the Weisman Museum. Friend us on Facebook and keep up with the latest at: arts.pepperdine.edu.

We hope to see you soon!

The mission of Seaver College and George Pepperdine College Alumni Relations is to perpetually call our current and future alumni home by encouraging lives of service, offering meaningful engagement, creating and maintaining lasting traditions, and responding wholeheartedly to their needs for support, thereby fostering pride and lifelong commitment to the Pepperdine family.

We look forward to getting to know you!

**STUDENT ALUMNI ORGANIZATION**
The Student Alumni Organization (SAO) is a student-led organization committed to serving Seaver College and creating connections between students and alumni. Members of SAO have a unique opportunity to serve, lead, and represent Pepperdine on campus and at alumni events. Upcoming events and opportunities include:

- Spirit Cup—Team up with your residence hall, club, fraternity, or sorority to compete in the annual Spirit Cup competition leading up to Waves Weekend
- Night2Network—Connect with and learn from Pepperdine alumni who work in your field of interest
- Hang 10 Dinners—Attend an alumni-hosted dinner with 10 fellow Pepperdine students
- Alumni chapter events—Represent Pepperdine and interact with alumni in Los Angeles and Ventura Counties
- Leadership opportunities—Gain valuable leadership experience and apply to be on a SAO committee

Learn more at saowaves.com!

**WAVES WEEKEND**
October 16–18, 2015
Celebrate Pepperdine with friends, family, and alumni during Pepperdine's Waves Weekend! Volunteer with SAO and help transform the Malibu campus for one of Pepperdine's most memorable events, including a Friday night carnival and Saturday concert. We can't wait for you to participate and share Pepperdine memories of your own.

“Freely ye received, freely give.”
As Pepperdine students, we hope you will learn the value of contributing to this special place that we have chosen to make our home and new family. The guidance and experience that alumni have to offer you as mentors and supporters is a perpetual gift. In the spirit of Pepperdine’s motto, alumni around the globe stand poised to serve you as their way of giving back to your alma mater. We encourage you to contact us to accept this support as you seek your calling in the world, and we know you will one day serve the students who follow in your footsteps.

2015–2016 Parking Information

We are fortunate to have sufficient parking throughout the Malibu campus; however, the key to successful parking is allocating adequate time to locate available parking and arrive at your destination. To assist you, the campus shuttle services begin at 7:40 AM each weekday with over 20 stops throughout campus running approximately every 10 minutes. There are also hourly runs to Malibu, Monday through Saturday each week.

Students are responsible for knowing all the traffic and parking regulations available on the Public Safety website, highlights include:

- The California Vehicle Code is enforced on campus.
- Access along John Tyler Drive is restricted each night from 10:30 pm–6:30 am.
- Vehicles must display a valid parking permit for the current academic year to park on campus. Permits must be renewed annually at pepperdine.thepermitstore.com.
- Most new students are assigned the “Resident” or “R” permit and may park anywhere during the hours of 7 am–5 pm except: any gated lot, Seaver Drive, Banowsky Boulevard, and Presidents Drive because these areas are reserved for employees and/or commuter students. Only students displaying a Towers or Page permit may park in that residence hall’s designated lot.
- Parking citations must be paid or will be forwarded to the student’s account.
- Multiple violations may result in disciplinary action that may include on-campus parking or driving restrictions.

Malibu Campus Lost and Found Procedures

- Found items of high value or containing information risking the owner of identity theft (e.g., driver’s license, checkbook, laptop, PDAs, backpacks, iPads), should be turned into Public Safety, documented, and will be held for 30 days.
- The following items will not typically be kept at Public Safety for any length of time: dishes, food, loose papers, books, notebooks, and loose clothing items.
- Any other found item should be turned into an employee representative near the location where the item was found (e.g., libraries, pool, dining hall).
Emergency Notification and Emergency Preparedness Information

The University's emergency communication plan uses the Everbridge Mass Notification System to deliver emergency notifications to your e-mail, your cell phone via voice message and text message, and to your designated emergency contact. The University only uses this notification system in emergency situations or for periodic testing.

The success and effectiveness of this communication system is dependent upon up-to-date contact information you provide in WaveNet. Please log in to WaveNet through https://wavenet.pepperdine.edu to update your contact information by **August 31**.

For more information on the Everbridge system, please visit the Office of Insurance and Risk's information booth during New Student Orientation or visit emergency.pepperdine.edu/emergency-communication.

Additional emergency preparedness information is available online at the University's Emergency Information page, emergency.pepperdine.edu, including a link to the University's Emergency Preparedness Guide. The guide is designed to assist you in responding to emergencies that may impact you while living and attending classes in Southern California. We encourage you to read the document and refer to it as needed.

Thank you in advance for you cooperation and participation in this important step toward emergency preparedness.

Disability Services Office

The Disability Services Office (DSO) seeks to accommodate students with documented disabilities to allow them equal standing in educational endeavors. Accommodations are designed to level the playing field for students with disabilities, while maintaining the integrity and standards of our academic programs. All services through the DSO are kept strictly confidential.

The system is dependent on the personal contact information provided by each individual in the WaveNet portal. Please ensure that your contact information is up-to-date by following the instructions listed above (also found at emergency.pepperdine.edu/emergency-communication).
In addition to the frequent on-campus and Malibu shopping shuttles six days each week, Pepperdine offers a car sharing program to members of its community with ZipCar. Car sharing allows members, at least 18 years old, an environmentally-friendly, economical alternative to bringing a car to campus.

Car sharing will give members of the Pepperdine community the opportunity to gain the benefits of private cars without the costs and responsibilities of ownership.

Visit the ZipCar website for step-by-step instructions to reserve a ZipCar at zipcar.com/pepperdine.
