Climb

COLLEGE MINISTRY

an internship designed for recent college graduates.

ENJOY BOULDER, CO.

It's easy to see why this town has been dubbed "the city nestled between the mountains and reality." With the dramatic sandstone slabs of the Flatirons and the snow-capped peaks beyond, there is no end to the possibilities for hiking, climbing, snowboarding and adventure. Boulder also regularly receives awards such as America's brainiest city, top city for artists, fittest city, America's foodiest town, and best hippy hidout town.

SHARE JESUS.

CU Boulder draws around 35,000 students each year including 3,000 international students. Our heart is to share the good news of Jesus with students at a very spiritually formative and important time in their lives. Will you pray about joining us?

SERVE.

The Climb Internship is an exciting opportunity to invest a year into your vocation and spiritual development. Interns can expect to build meaningful relationships with college students, grow in faith and be challenged by the opportunities and responsibilities of the job. This ministry started a year ago, so you will have the joy of being a part of something new, helping to creatively define and lay foundation for the years to come.

USE YOUR GIFTS.

Candidates should demonstrate:

- A love for Jesus and his Gospel
- A passion for students to know Jesus
- A high level of relationship competency in both a secular and church setting.
- The ability to work well in a team.

GROW.

My name is Amy Kendall and I lead Climb. I look forward to mentoring you and encouraging you as you bring your gifts to this ministry. I can offer many years of ministry experience to your training, but more importantly, I want to draw you into the joy of sharing Jesus. Want to know more about me? Give me a call! 303-570-3503

OUR CHURCH.

The Boulder Valley Church of Christ is a perfect example of the beauty of a multi-generational family. From little kids to 97 year-olds, ours is a loving body of believers that will surround you and support you. Because we are small, you will be given opportunities to serve in ways you may not at a larger congregation. Both men and women are invited to use gifts of preaching and teaching.

THE DETAILS.

Compensation: Interns will be provided housing for the year as housing in Boulder is very expensive. For salary, each intern will be required to either raise funds, or find a part time job. A part time job at CU may be a great way to make connections on campus! We are happy to help and support you in either fund raising or job hunting.

CONNECT.

Amy will be conducting interviews on the Pepperdine Campus on March 19 (with some flexibility on surrounding dates). Call to grab coffee with her!
